ACTIVIDAD A

The screenshot shows a web browser window with multiple tabs. The active tab is titled "moodleacad.url.edu.gt/mod/assign/view.php?id=770505". The page content is a Moodle assignment submission interface. On the left, there is a sidebar with a list of sections numbered 1 to 11. The main area is titled "Texto en línea" and contains a code editor with the following C# code:

```
using System;

class Program
{
    //bloque principal
    static void Main() {
        //declarar
        int num = 50;

        while(num<101)
        {
            Console.WriteLine(num);
            num++;
        }
    }
}
```

Below the code editor, there is a section for "Comentarios de la entrega" with a link to "Comentarios (0)". The browser's address bar shows the URL "moodleacad.url.edu.gt/mod/assign/view.php?id=770505". The Windows taskbar at the bottom shows the date and time as "9:27 a. m. 10/11/2022" and the temperature as "20°C Soleado".
